HARKIE EMERGENCY KIT PRODUCT DESCRIPTION

Harkie Emergency Kit bag, comes complete with spill kit, fire extinguisher and first aid kit

The Harkie Emergency Kit bag is an excellent way of keeping incident management kit safe, together, and easily findable in the event of an accident. Being large, brightly coloured and clearly labelled the bag can be rapidly located by both team members or even passers-by or the general public in an emergency.

- Made from waterproof vinyl
- Roll down top to prevent water ingress
- Large bag that will take 20L spill kit plus other content
- External pouch for fire extinguisher
- Internal document pocket
- Adjustable shoulder straps
- Roll top with clip to create a waterproof closure
- Comes complete with:
 - 20ltr spill kit
 - 2kg ABC fire extinguisher
 - 10-man squad first aid kit
